

Track Worker Level 4 Short Course (SA) ARTC

This course is intended for people who want a career in transport and logistics performing Track Worker Level 4 tasks on the ARTC Defined Interstate Rail Network. Successful completion of the ARTC Track Worker Level 4 assessment of competence allows the employee to implement, manage and fulfil the Local Possession Authority (LP) method of worksite protection.

Track Worker Level 4 Short Course (SA) ARTC

The successful completion of this short course requires students to complete 1 unit of competency as listed below:

UNIT CODE	UNIT NAME
TLIL3084	Implement a Local Possession Authority

You will receive a Statement of Attainment for all units of competency that you successfully complete.

Training Solutions

The Instruction Company offers tailored training solutions using a range of methods including face-to-face delivery, self-paced activities, research, simulations, workplace practical application of skills and supervised learning activities.

This ensures that both the needs of the employer and student are being met and students develop the job skills required.

The training is conducted by a qualified, industry current, trainer and assessor to ensure the learning is relevant and up to date.

The Instruction Company

The Instruction Company (TIC) is a Registered Training Organisation (RTO) who has been providing tailored training and assessment solutions in the rail industry since 2000.

Enrolment Requirements

Students need to complete the pre requisites on the following page prior to enrolling in this course.

Duration

This course has the theory component delivered over one day from 8.00 am to 4.00 pm

Following the completion of the theory training you are issued with a practical workbook, logbook and supervisor report form that need to be completed – to facilitate this you will need a mentor/supervisor who already holds the safeworking role and is willing to support you in your learning.

Following the completion of the on the job experience you will then need a further ½ day assessment after the completion of on the job learning.
